

GLI-SLLR

Slim Linear Light Recessed

Project: _____ Location: _____ Type: _____

Model Number: _____ Qty: _____ Notes: _____ Date: _____

The GOLED Recessed Linear light delivers elegant, efficient lighting for commercial applications. Its design integrates seamlessly into T-bar ceilings, providing a clean, modern look. With adjustable wattage and CCT, high-efficiency LEDs, and superior thermal management, this versatile light is ideal for offices, schools, and hospitals. Enjoy reliable performance with a 5-year warranty and a lifespan of over 50,000 hours.

Lighting:

- High diffusion lens for comfortable light
- High CRI: Minimum 80 color rendering index
- Adjustable CCT of 3000K, 3500K, 4000K

Installation:

- Recessed installation integrates with T-bar ceilings
- Installs seamlessly into T-bar ceiling systems

Electrical:

- 20/15/10W 2', 30/23/15W 3', 40/30/20W 4', 80/60/40W 8' DIP switch selectable output
- 120V-277V internal driver
- High efficiency LEDs provide 85LM/W+
- Standard 1-10V dimming which continuous dims to 10%
- Optional occupancy/daylight sensor

Details:

- Extruded aluminum housing, seamless design for superior thermal management
- Powder coated white trim
- Optional emergency 8W 120 minute backup battery

Certifications:

- cULus Listed
- 5 years warranty
- Estimated lifespan of over 50 000 hours

Dimensions:

LR Recessed

ORDERING GUIDE

SERIES	LENGTH	WIDTH	DRIVER	CCT	CONTROL	EMERGENCY
GLI-SLLR	2 - 2ft 4 - 4ft 8 - 8ft	4 - 4in 6 - 6in	ID1 - Internal Driver 110-277V	3SK¹ - 3 CCT	DM - 1-10V OS - Occupancy sensor DO - Daylight and Occupancy sensor	NE - No backup EM - Emergency backup

Notes:

1. Selectable CCTs (3000/3500/4000K)
2. Non-standard option. May be subject to additional lead time and MOQ.
