GLI-CLPD

INSTALLATION INSTRUCTIONS

WARNING

1. Read all instructions.
2. Install in accordance with national and local electrical code regulations.
3. This product is intended to be installed and serviced by a qualified, licensed electrician.
4. Turn off electrical power before installing or servicing luminaire in any way.
5. To reduce the risk of fire and overheating, make sure all connections are tight.

**May result in serious injury or death.
Turn power OFF at circuit breaker
prior to installation or servicing.**

Ceiling Light Prismatic Diffuser

INSTALLATION INSTRUCTIONS

STEP 1

Installation bracket grounding wire must face upwards towards J-BOX

Fasten installation bracket to J-BOX

WARNING: Overtightening the bracket can warp it

STEP 2

While supporting the luminaire, make wiring connections.

Carefully tuck wires into the J-BOX

STEP 3

Aligning the luminaire springs and driver with the grooves in the installation bracket.

Push up to snap luminaire into bracket

Ceiling Light Prismatic Diffuser

INSTALLATION INSTRUCTIONS

STEP 4 (FOR WET LOCATIONS)

For wet locations only, a bead of caulking such as acrylic latex or silicone must be placed around the perimeter of the backplate, also contacting the flange as shown to seal against the mounting surface

This keeps water away from the J-BOX and back openings
