Project: _____ Location: _____ Type: _____

Model Number: _____ Qty: _____ Notes: _____ Date: _____

GLI-LRMDA4

JB Downlight

The GOLED JB Downlight seamlessly marries aesthetics and functionality, making it a luminaire of exceptional value. Crafted with a focus on swift and effortless installation on octagon boxes and compatibility as a retrofit for existing luminaires, it not only minimizes construction expenses and conserves energy but also upholds a sophisticated interior design. The added advantage of selectable CCT output ensures a unified look across your project with a single model.

Features and Specifications

- Suitable for installation onto standard octagon junction boxes and can be retrofitted to compatible 4-inch luminaires
- Provides 8 watts of power, delivering 550 lumens with an impressive efficacy of 70 lumens per watt
- Aluminum housing effectively functions as a heat sink, thereby extending the overall lifetime of the product
- Available in a choice of white or matte black and brushed nickel finishes to match diverse aesthetics
- Offers a range of selectable field selectable color temperatures, including 2700K/3000K/3500K/4000K/5000K
- Boasts high color rendering index (CRI) of over 90, ensuring accurate and vibrant lighting
- Comes with a 120V AC driver
- Allows dimming from 100% down to 10% using standard TRIAC dimmers

Certifications

- cETLus Classified
- Wet location listed
- Insulated ceiling rated

Warranty

- 5 years warranty
- Lifespan of over 50 000 hours

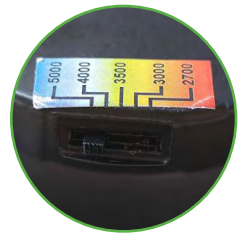

Overview

Light source	LED
Watts (W)	8W
Voltage	120V
Lumen output (LM)	550LM
Efficiency (LM/W)	70LMW
Color temperature (K)	2700K/3000K/3500K/4000K/5000K
CRI	90CRI

JB Downlight

CCT SWITCH

Easily adjust between
2700K/3000K/3500K/
4000K/5000K

MAGNET

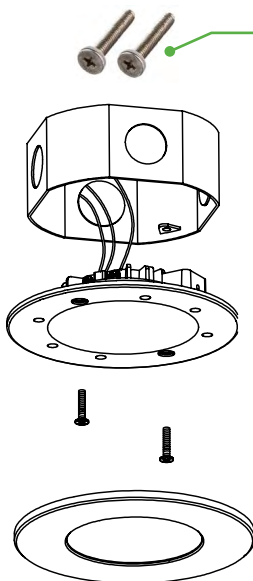

INTERCHANGEABLE MAGNETIC TRIM

White, Mate Black,
Brushed Nickel

JB INSTALLATION

Used for octagon junction
box installation

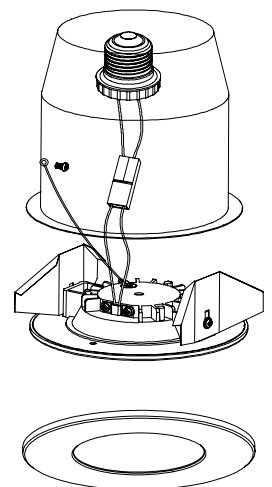

RETROFIT INSTALLATION

Used for quick retrofits to
compatible 4" recessed luminaires

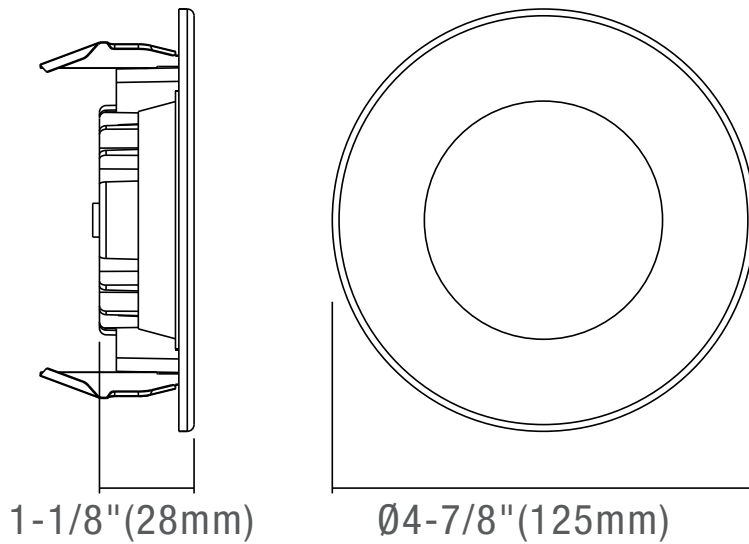

E26 ADAPTER

Used for retrofits to compatible
4" recessed luminaires
